

## TRANSPARENCY AND ACCOUNTABILITY PERIOD 2019

Supporting education, arts and culture that allows improving the quality of life of children and youth in our community is a task that requires dedication and passion, which we also apply in transparency and accountability with strict adherence to legality. .

Our resources are invested in: Education Programs; Life Programs and; Programs to the Community of San Miguel de Allende.

100% of the donations mainly benefit education programs and life and career programs.

100% of the administrative expenses are covered by the Library.

In case of not having donations for Scholarships, the Library each year creates reserves to fulfill the commitment contracted.
